

How I Help

Buy or Lease Your Property

Whether you're in the market to purchase or lease a commercial space, having a partner dedicated to staying ahead of commercial real estate trends, government regulations, and area opportunities is key to ensuring a successful outcome. As your Windermere Commercial broker, I am committed to providing a complete offering of commercial real estate services.

MY SERVICES

- › Committing to make your entire experience as stress-free and efficient as possible
- › Recommending the best real estate action for your particular situation and goals
- › Providing a comprehensive list of available commercial properties
- › Thoroughly using resources, including all commercially available websites and our network of industry contacts
- › Analyzing each viable opportunity
- › Providing dedicated support during contract negotiations and documentation
- › Providing guidance for deal structure and financing options
- › Facilitating the closing of your deal, including contract negotiation and managing third-party servicers
- › Following up post-closing to ensure all parties are abiding by the terms of the lease
